

Fluenta

BASIC

NEW IMPROVED SOLUTION

BASIC TOILET BOWL WITH THE CLICK TOILET SEAT

BASIC TOILET BOWL WITH A CLASSIC TOILET SEAT

WITH THE CLICK MECHANISM

AND THE SOFT-CLOSE SYSTEM

DESIGN & MATERIALS

Fluenta Basic toilet seat is made of a material with exceptional strength and damage resistance, easy to clean. It is created to fit perfectly with the lines designed on the Fluenta Basic toilet bowl.

We have further improved the existing solution of the Fluenta Basic toilet bowl according to the market requirements. Fluenta Basic toilet will be available in two variants with Click and Classic toilet seat. **Classic** is a toilet seat with a *soft-close* mechanism and with improvements in the field quality of production, materials and aesthetics. The advantage of the **Click** toilet seat is a one-button system that allows easy removal of the toilet seat when you clean it. This toilet seat also has improvements in the field of quality of production, materials, and aesthetics as well *soft - close* mechanism for slowing down the toilet seat.
